Sports Update

HS Volleyball - Tonight, we traveled to Liberty Christian and suffered a disappointing loss in 5 games. We didn't show the same energy and enthusiasm that we experienced last Saturday. Yet, we were able to win two close games. The first game score was 21 - 19. We struggled in the next game and couldn't take charge of our game losing it, 15 - 21. We finally started playing smart volleyball and grabbed the third game, 21 - 15. They took

Fun Fact

Every spring in the state of Maine, moose can be found licking roads, slurping salt left over from the winter. The moose get down on their knees with their rumps in the air. Crashing into a 1500-pound moose can be dangerous and expensive, so drivers are urged to be careful.

advantage of our unforced errors in the final 2 games to close the match, 15 - 21 and 14 - 16. Pia Marie Paulone set a new school record for 24 assists per match. The Player of the Match was Jorjan Jeter with 11 kills and 3 blocks. Our record is 18 - 5.

HS Cross Country – On Monday, September 30, ISD Cross Country Team went to South East Park for a meet with Lutheran. Finally, we beat them! It was an easy competition for the ISD boys, because there was only one Lutheran boy. Bradley led the race to finish in First Place with a time of 23:53.

2 nd Place	C.L. Young	23:58
3 rd Place	Nick Curtin	24:09
4 th Place	Matthew Bratton	24:19
5 th Place	Drew Robarge	25:17
6 th Place	Brendan O'Connor	33:16
7 th Place	Cory West	36:25

ISD boys improved their timing for the next meet, which will be on Saturday, October 5th at Garfield Park.

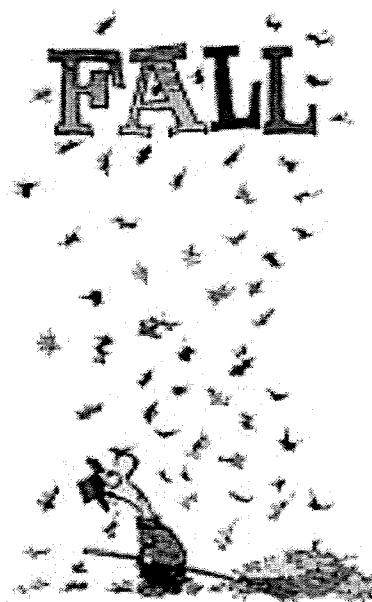

4th, 5th & 6th Grade Football - We lost to the Christian Park Irish, 19 to 8. It was a hard fought battle for our kids. We had some injured players who couldn't play. We really didn't do anything in the first half. After a good positive talk with the boys at haltime, our boys did an excellent job in the second half. We played hard, played smart and had a great time. Our record is now 2 and 2. The next game is Tuesday, October 8.

October's Activity Periods for MS & HS

- October 2 HS & MS students go to the Auditorium for the MS Drama Presentation at 10:15 am.
October 16 HS & MS students go to their TOR's classroom to review First Quarter grades at 10:15 am.
October 23 HS & MS students go to the Auditorium for the HS Calypso Presentation at 10:15 am.

Book Sale - The American Book Company is again displaying books in the Main Library. These books will be available at great prices only through October 15th. Our library gets 10% of the total orders to apply towards "free" books for our libraries! Hurry in and order your books today! Some examples of the great deals follow.

Tax News for Teachers – The IRS advises teachers to save their receipts for purchases of books and classroom supplies. “Many teachers dip into their own pockets when funds for classroom supplies run out before the school year does,” said IRS Commissioner Charles O. Rossotti. “A new law gives them a tax break this year and in 2003.”

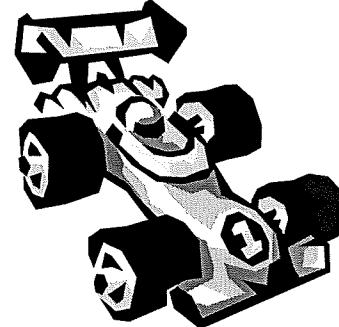

The new deduction is available to educators in both public and private elementary and secondary schools. Educators must work at least 900 hours during the school year as a teacher, instructor, counselor, principal or aide. They then may subtract up to \$250 of qualified expenses when figuring their adjusted gross income (AGI).

Educators don't need to itemize deductions to get this benefit but should keep the receipts. In fact, the IRS suggests that educators keep records of qualifying expenses in a folder or envelope labeled, “Educators Expense Deduction”, noting the date, amount and purpose of each purchase. For more details, consult IRS publication #3991. (Submitted by Kay Sellers)

THANK YOU - The ISD Athletic Department would like to recognize these hard working 2002 IMS Volunteers listed below for contributing their time and effort to help raise funds for our ISD Student Athletes. After three events (Indy 500, Brickyard 400, and the United States Grand Prix), we have raised over \$18,000 for the ISD Athletic Account! It was a HUGE Successful Fund Raising! Give our volunteers listed below BIG PATS ON THEIR BACKS for their outstanding time and effort.

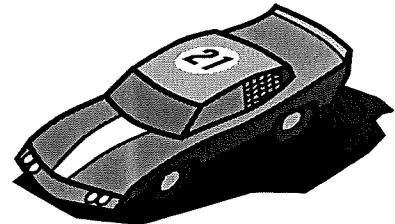

Indy 500 Volunteers

Lana Aills, Jan Astouski, Larry Baker, Mindy Baker, Kimberly Beaver, Carolyn Bennett-Vanover, Aimee Bippus, Brian Bippus, Melba Bippus, Bruce Black, Karen Bower, Jessica Brimmer, Wendy Brimmer, Sean Byrum, Bob Carty, James Carr, Dwight Casler, Dave Catt, Yvonne Catt, Jean Cordano, Rusty Crace, Richie Crock, Mary Dall, Phil Dall, Onye Davis, Bonita Ewan, Lori Fitzgerald, Norty Fitzgerald, Dan Fitzpatrick, Laura Ford, Michele Fultz, Aaron Gaalema, Courtney Gaalema, Mike Galagan, Barbara Gant, Larry Graves, Greg Haneline, Marci Hawkins, Paul Hocker, Susan Hocker, Erica Hossler, Jeff Hossler, Tami Hossler, Jeanne Jeter, Jordan Jeter, Ronda Johnson, Joanie Jones, Dan Kelly, Laura Kesterke, Eddie King, Greta Knigga, Lucy Kramer, Linda Krieger, Rachel Lawrence, Micki Lewis, Janna Lippie, Robin Mader, Johnny Mazurkiewicz, Fred McBroom, Mike McGeath, Linda McKay, Scott Miller, Jim Mills, Mary Mills, Anthony Mowl, Ken Murray, Kevin Musick, Ted Myhre, Wendy Nice, Pia Marie Paulone, Malcolm Peters, Daniel Pfaff, Kelli Phillips, Kea Phillips, Blaze Pollard, Bradley Pollard, David Reynolds, Jonathan Reynolds, Justin Reynolds, Elsie Ritchie, Drew Robarge, Delynn Saunders, Mindy Schmidt, Donald Sellers, Valerie Sharer, Beth Slaven, Brenda Smith, Daniel Smith, Joan Smith, Scott Smith, Ami Squire, Cindy Squire, George Stailey, Lloyd Stout, Megan Struges, Lisa Swartzell, Jeff Swinton, Brian Thorn, Amy VanDalen, Dennis VanDalen, Aileen Vasquez, Dawn Walker, Kathleen Walters, Keith Westhoelter, John Whited, Justin Wilson, Mike Wilson

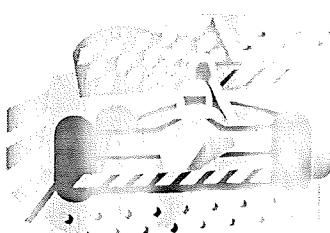

Brickyard 400 Volunteers

Aimee Bippus, Brian Bippus, Joan Bippus, Karen Bower, Mark Bower, James Carr, Dwight Casler, Dave Catt, Yvonne Catt, Richie Crock, Mary Dall, Phil Dall, Tami Hossler, Dan Kelly, Annalee Laird, Don Lehnerz, Mike McGeath, Judy Miller, Ken Murray, Ted Myhre, Mike Paulone, Joyce Rork, Cindy Squire, Lloyd Stout, Jeff Swinton, Keith Westhoelter, John Whited

United States Grand Prix (F-1) Volunteers

Beth Adams, James Carr, Dave Catt, Laraine Catt, Jean Cordano, Rusty Crace, Dawn Crock, Richie Crock, Mary Dall, Phil Dall, Dennis Diskover, Myriah Dixon, Michele Fultz, Sam Fultz, Katie Habegger, Nancy Hardwick, Jeff Hossler, Joann Ideka, Stuart Ideka, Dan Kelly, Lucy Kramer, Larry Leonard, Janna Lippie, Maureen May, Vickie Nichols, Sarah Pratt, Cynthia Reynolds, Beth Slaven, Cindy Squire, Evelyn Squire, George Stailey, Lloyd Stout, Cristen Williams

We would like to give our BIG THANKS to the 2002 IMS Volunteers above to make this Fund Raising possible. And a HUGE pat of their backs to Ken Kramer and Rod Squire for organizing and coordinating this!!!!!!

Former Vocational Teacher Passes - Jerry Holeman passed away. He taught woodworking for fourteen years at ISD in the Vocational Department and retired in 1984. Viewing will be from 4:00 to 8:00 pm in Franklin, Indiana at Vandivier-Parsley Funeral Home.

Sports Update

Varsity Girls Volleyball - What a seesaw match!!!! Ritter visited us and ran a marathon with us for 5 games. It was a replay of our lackadaisical game from last night but we got the better result: VICTORY! It was a battle from the start to the end in all games except for the 2nd game. We edged them in the 1st, 21 - 18. In the second game, we looked like "The Bad News Lady Deaf Hoosiers" as we stumbled on our faces often, 6 - 21. As expected, we came back roaring and caught them at the end, 21 - 18. We were neck-in-neck all the way, but they stretched themselves a fraction more to take the 4th game, 18 - 21. We were pushed into the urgent mode and rallied from 2 points down to tie at 13. Elsie's great defensive dig and an ensuring serve enabled us to cross the finish line barely, 17 - 15. Our record is 19 - 5. The Player of the Match was Pia Marie Paulone with 22 assists, 10 points and 4 aces.

JV Volleyball - Last Tuesday, October 1, we played against Liberty Christian. We won the first game 21-19. We played so well, and Brittany made 2 beautiful blocks. We didn't give up any along the way. In the 2nd and 3rd games we lost 11-21 and 17-21. We did great.

JV Volleyball... Last night, October 2nd, we played Ritter and lost both games 9-21 and 15-21. We couldn't stop their smart plays. We have game today at International.

7th/8th Girls Volleyball - Park Tudor visited us yesterday. We did very well in the beginning of the first game, but it seemed that Park Tudor found some of our weakness and beat us, 21-14. In the second match, we improved with servings and passes giving us more excitement. At the end of game, we made several careless errors and lost, 18-21. We will work on our weaknesses at practices and will play against Emmanuel Lutheran next Tuesday.

4th, 5th & 6th Grade Girls Volleyball - We earned another victory as we played our home game against Park Tudor 21-17 & 21-18. Both matches were exciting. The opponent was good at serving and receiving, but we are proud to say that we are better than them! High 5 to the Oriole ladies! Our record is 3-8.

Today's Visitors

- ❖ The Parent Infant Program will host a family from Carmel visiting the preschool department.
- ❖ A few Purdue University students will be touring between 7:30 - 9:00 am.

Sport Update

6th, 7th, and 8th Grade Football -On October 3, 2002, our 6th, 7th, and 8th Grades Orioles Team lost to the Christian Park Cougars for the second time this year. The score was 0 to 42. In the first game, the Cougar Team had big players, but the second game had smaller sized players. During the second game, the Cougar

team used their speed to move and hit our players hard. Our players got a lot of injuries, because the Cougars moved fast and hit before our players reacted. However, our players did not give up; they tried their best to win. We will play against the Creston team on October 10th at 5 pm. The game will be at home.

We had many great volunteers who were from players' families and Carrie Martin, who is a Middle School teacher. The volunteers enjoyed watching the game and our half time meeting. Come and watch our fifth game on October 10.

Find captioned films and videos on-line at
<http://www.cfv.org/>.

Dear Colleague:

The National Assistive Technology Research Institute (NATRI) is charged with conducting assistive technology (AT) research, translate theory and research into AT practice, and provide resources for improving the delivery of AT services. Funding is provided by the U.S. Department of Education, Office of Special Education Programs, and it is operated by the Department of Special Education and Rehabilitation Counseling at the University of Kentucky. Currently NATRI (<http://natri.uky.edu>) is collecting data for two studies and we need your help.

As a person involved with students with disabilities, we are asking you to tell us about your experiences working with assistive technology. By providing brief, anonymous reports of EFFECTIVE or INEFFECTIVE practices (critical incidents) in the delivery of assistive technology (AT) services or the use of AT devices, we can begin to see common features of successful and unsuccessful uses of AT. These might be reports of your personal involvement in delivering AT or your observations of others who provide AT services. An online AT critical incident report form is available for you to provide your input by clicking on the button at <http://natri.uky.edu>. It is designed to take just a few minutes of your time and you don't need a stamp to return it. Please visit this site often to report on different effective and ineffective AT practices as you encounter them.

The purpose of our second study is to describe the extent of AT use, which is using it, and for what purposes. We are asking your help by describing all students with disabilities on your caseload whether they use AT or not. A second online form is also available for quick and easy data input by clicking on the button at <http://natri.uky.edu>.

Encourage your colleagues to report their incidents and caseload data as well by sharing these URLs with them. Your participation will help us gather the information we need so that we may distribute information to improve AT service delivery for students with disabilities. We have a prepared a flyer that briefly

describes both studies for you to print and distribute to anyone and everyone you know who is involved with students with disabilities. You can find it at either the Critical Incidents site or the Status of AT Use survey site, using the link above.

Please visit the NATRI we site often. We will be updating it continually and will be offering other opportunities for you to participate in this national effort. Thank you for your help.

Sincerely yours,
Ted S. Hasselbring Elizabeth A. Lahm
Principal Investigator Co-Principal Investigator

Announcements

HS Girls Volleyball - Indiana perfected the 5 years cycle by winning 5 straight championships at the Illinois Deaf School last Saturday. ISD breezed by outscoring Michigan, Wisconsin, Illinois and Ohio in 8 games, 120 - 19. Coach Bippus's 5 year record at CSSD now stands 20 - 0 matches/ 40 - 0 games. Erica Hossler, Pia Marie Paulone, and Chelsea Nemer were named to the All-Tournament Team.

- ❖ ISD 15, 15 Michigan 0, 2
Player of the Match: Micaela Paulone with 7 assists and 1 kill
- ❖ ISD 15, 15 Wisconsin 1, 4
Player of the Match: Chelsea Nemer with 6 points, 2 aces, 2 kills
- ❖ ISD 15, 15 Illinois 1, 9
Player of the Match: Elsie Ritchie with 13 points, 5 kills, 2 aces
- ❖ ISD 15, 15 Ohio 1, 1
Player of the Match: Erica Hossler with 8 points, 6 kills, 3 aces

Library Closed – The Alumni Hall Library will be closed on Wednesday, October 9 in the morning.

Stop the Flu! - ISD will host its annual Flu Shot Clinic on Monday, October 21 from 2:00 to 4:00 pm in the Health Center. The Coming of Age Agency will provide the Clinic, and flu shots will remain \$15 each. Pneumonia shots will also be available for \$25 and are only necessary every 5 years. Please call the Health Center if you have any questions. More information will be available as the clinic draws near.

Class of 2005 News - *Eyeth* will be held at Bloomington High School South Auditorium in Bloomington, Indiana on Wednesday, October 7 from 7:00 to 9:00 pm. The play is presented by Class of 2005 at the Indiana School for the Deaf. Tickets for the play are \$5.00 for children 12 yrs & up and adults and \$2.00 for children under 12 years old. Tickets can be purchased at the door or by contacting Joe Murray, Wanda Kirby, Bruce Peters or Beatrice Pfaff. Directions to the event are: take State Road 37 to College Avenue. Continue on College until it becomes Walnut Street. Turn left when you see the Ford Dealership. Bloomington HS South is on the left side of the road across from Ford Dealer. Carlin Hall Auditorium is in front of School Building.

ISD JOB POSTINGS

Postings open from October 7, 2002 to October 11, 2002

- ❖ **Steam Plant Operator 2** - Minimum Qualifications: Experience - 3 years full time. Experience in a large institution or industrial steam plant. Must obtain within 12 months the Power Engineer Certification as issued by the Indiana Association of the National Association of Power Engineers. Substitution-Possession of the Power Engineer Certification at the time of application may substitute for 1 year of the required experience
- ❖ **Security Officer 4**- Two (2) years of full-time paid experience as a guard, watchman, fireman, or police officer. Each two (2) years of high school may substitute for one (1) year of the required experience. Willingness to undergo a background investigation. Ability to pass an annual physical examination.
- ❖ **Personnel Tech 3**- Two (2) years full-time clerical experience. At least one year of the required experience must be in providing Human Resources support or related experience.

Please turn in all applications directly to Missy Betzold, Human Resources Department.

Be a CHAMPION

CHAMPIONS are people who put forth the effort to make any endeavor a success. The **CHAMPIONS** of caring are those who give of their best to make their community a better place for everyone. This year the SECC will recognize those givers who contribute **one-half hour's pay per check**.

These CHAMPIONs are the state employees who will lead the campaign to success. Be a CHAMPION for the people who need your help this year. It may be a young mother who needs day care in order to get and keep a job. It may be an adult with a disease that needs treatment and cure. It may be a family needing a variety of help to stay together and be successful. It may be the senior citizen down the block that can be healthier and happier in their own home. People who need help need CHAMPIONs. You can be that CHAMPION this year.

For more information, please go to:
<http://www.insecc.org/default.htm>.

Announcements

Sports Update

7th & 8th Grade Girls Volleyball - We had an exciting game against Emmanuel Lutheran at their school yesterday. They defeated us in the first match, 16-21. We got back on our feet in the second match, defeating them easily, 21-9. Both teams were hot in the third match...an emotional, nail-biting game. We tried to break one of Emmanuel Lutheran's strong servers at the end of game, 19-21. We were praised for our effort and improved mobility. The Players of the Game were Nukeitra Hayes and Kendra Smith.

4th, 5th & 6th Grade Girls Volleyball - We played against and lost to Emmanuel Lutheran 16-21 and 8-21. We lost one player who has good skills in serving/receiving due to an illness. During the first game, we did well but had difficulty receiving the ball. In the next game, we began to feel pressure when they steadily scored ahead of us. We played the third game for fun. All players got the chance to play volleyball on the court. Although we lost to the opponent team, some players were thrilled to be on the court to play volleyball. The next home game is today! Come and cheer for us!

4th, 5th & 6th Grade Boys Football - We lost to Christian Park Viking 27 to 8. We just simply were not ready to play football. The Vikings were more than ready to play. They outplayed us. It was a good lesson for our boys. Our boys learned a lot and still have a bright future. Our record now is 2 and 3.

Payday - Please look on your check stub today and make sure that you are being **taxed** for the **County** in which you live. If you are being taxed for your old county, please send Payroll an email telling me what county you live in now. I need this because as of January 1st the state makes the changes and if we do not get yours changed, it will be wrong for the whole next year. My phone is not working right now so please use email. – Donna Saine

Library News – Laura Kesterke sent out an email on 9/27/02 about old filmstrips being given away at the main library. She has since received five old filmstrip projectors. These projectors are also being given away - first come, first served! There may be a problem getting replacement bulbs for these machines. If any of the departments have spare bulbs for these projectors, send them on over to her at the Main Library, and she will distribute them along with the projectors. Remember, October 28th is the deadline for taking any of these materials for use in your classroom!

The Main Library has many filmstrips/slides, which were used at ISD long ago (so long ago that the milk in the pictures is in glass bottles!). This material will be given to the Indiana State Library on October 28. You may come to the Main Library before that date and take any filmstrips or slides for use in your classroom. Filmstrips and slides remaining in the library after October 28 will be sent to the Indiana State Library.

ISD JOB POSTINGS

Postings open from October 7, 2002 to October 11, 2002

- ❖ **Steam Plant Operator 2** - Minimum Qualifications: Experience - 3 years full time. Experience in a large institution or industrial steam plant. Must obtain within 12 months the Power Engineer Certification as issued by the Indiana Association of the National Association of Power Engineers. Substitution-Possession of the Power Engineer Certification at the time of application may substitute for 1 year of the required experience

Sports Update

High School Cross Country – On Tuesday, October 8th, the ISD Cross Country Team went to the Tech Invitational at Brookside Park. We were surprised that the area was so hilly. There were 13 schools represented. The race has divisions such as freshman and sophomore. Stanley Mangold placed 15th with a time of 23:13. Jeremy Wright placed 25th with a time of 25:32, and Danny Shively placed 36th with 40:15. Danny never gave up in the race. In the junior and senior division, (I don't have a record of places until I get from Tech soon) CL Young - 22:09, Matthew Bratton - 22:38, Nick Curtin - 23:19, Drew Robarge - 24:02, Cory West - 32:07 and Brendan O'Connor - 32:25. They have improved their timing since we got meet here in ISD last September. Plus their effort on the hilly course was tremendous! Good job. Our next meet will be at Northwest H.S. on October 10.

7th & 8th Grade Girls Volleyball - Orchard School paid a visit with us yesterday. We defeated them in two matches, 21-17 and 21-15. We will play against Park Tudor in the tourney on Monday, October 14th. Give us good luck pats!!!

4th, 5th & -6th Grade Volleyball - We beat Orchard easily 21-5 and 21-12. We took advantage of the opponent team's weak serving skills. The first game: Amanda Phillips made 12 servings in a row. The opponent team was not able to receive the ball. We led both games with no difficulty. A high 5 to our Oriole players! This was our last home game. Today, we will play against Heritage Christian as the tournament begins today at 4:30 pm.

Volunteers Needed – The Athletic Department needs on admission help for both games this Saturday, October 12th. The volleyball game starts 10:00 am, and we need help from 9:15 until 10:30 a.m. The football game begins at 2:00 pm. We need help from 1:00 pm until 3:00 pm. Let Brian Bippus know if you are interested in helping.

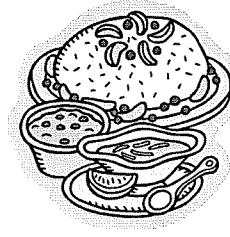

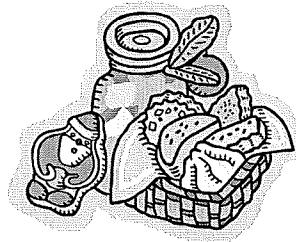

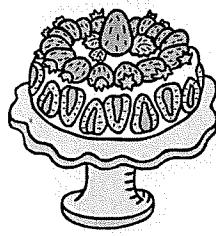

Coaches Needed - Athletic Department has some vacancy in our coaching positions for winter season. If you are interested and want more information, please contact Brian Bippus at your earliest convenience.

- ❖ HS Boys Basketball Assistant Coach
- ❖ HS Boys Swimming Assistant Coach (Male)
- ❖ HS Wrestling - 2
- ❖ MS Girls Basketball Coaches - 3
- ❖ MS Cheerleading - 2

Staff Drawing — Pam Lewis has another fabulous staff drawing planned for today between 9: 30 and 9:40 am. Your name is already entered into the drawing for a pizza from from Domino's. The winner will be announced on ISDTV tomorrow. Good luck!!

Dessert Auction - ISD will be having two dessert auctions next week. Middle School's auction will be on October 15 at 10:15, and High School's auction will be on October 16 at 10:15. All personnel are invited to attend one or both auctions. Bring your money and join us for a worthwhile morning of fun! The auctions are being held to benefit two of our staff members, B.J. Helton and Linda Schipp. We need your help! Please bring cakes, cookies, cupcakes, brownies, pies, etc. to each department on the morning of the auction. Yes, you can bring to both MS and HS!! Donations will also be accepted. Hope to see you there!

ISD Awarded Lilly Grant - The Indiana School for the Deaf with the assistance of the school's grant writer, Cathy Metz, submitted a grant proposal to Lilly Endowment, Inc. for a new playground and an independent living skills house. Lilly Endowment, Inc contacted the superintendent's office on Thursday, September 19th, and informed the school that the grant had been approved in full. The grant will fund \$1,181,466 for a new playground and \$728,099 for the construction of an independent living skills house. The total grant, in the amount of \$1,909,565 will be received in December and funds must be used by July 31, 2005. To my knowledge, this is the largest grant the ISD has ever received. Congratulations to Beth Slaven, Parent, for all her work in developing a plan for the playground, Becky Smith, Middle School Teacher, for her assistance in developing the plan for the independent living skills house, Beth Fields for her assistance on the living skills house and Cathy Metz for coordinating this grant proposal. GREAT JOB! - George M. Stailey, Superintendent

Here's how American Sign Language students at Indian Creek High School appear to their instructor, Daniel Smith, who is conducting the class from miles away in Indianapolis. They can see him on a similar television monitor. -- Sheri Herrin / photo

TRAFALGAR

TV brings signs to school

Video hookup offers class in sign language.

By Sheri Herrin

Indianapolis Star

October 05, 2002

Several students at Indian Creek High School never speak to one of their teachers.

Instead, they watch -- via a television set -- an instructor from the Indiana School for the Deaf who teaches them American Sign Language using an interactive video distance learning system.

This is the first year the class has been offered at the high school.

The instruction has grown from a partnership Indian Creek High School formed with the School for the Deaf a few years ago. Students receive a foreign language credit for the course. The distance learning technology allows students to take a class Indian Creek might not otherwise be able to offer students.

Instructor Daniel Smith views Indian Creek students through an overhead camera. Students in Trafalgar can respond to Smith's questions using sign language. The students watch Smith on a television in "real time."

"The system went in sometime last year," said Indian Creek teacher Carol Piety.

She operates the controls of the system during one of the two sign language classes and physically inputs the grades into the system. But other than that, she does not "teach" the class in the traditional sense.

Students can also correspond with Smith via e-mail.

The partnership with the Indiana School for the Deaf was created by an anonymous benefactor and allows students to learn more about deaf individuals.

"It brings the different groups together and allows them to see they are not so different," Piety said. "For example, we tend to think of them as hearing-impaired, but they don't think of themselves as impaired."

Prior to the class being offered, several Indian Creek students each year traveled with deaf students to places such as the Kennedy Space Center in Florida.

Adrian McDonald, 17, spent several weeks during the summer participating in a Summer in the Sky program with students from the School for the Deaf.

"I wish I'd had (the sign language class) before summer," Adrian said.

Being involved with the classes has changed Adrian's planned career path. "Now, I want to be an aeronautical engineer," Adrian said.

Kevin Housand, 17, went to the Kennedy Space Center during the summer and roomed with a deaf student. "I've learned a lot in the ASL class, more than on the trip," Kevin said.

The class is just part of the way the school uses long-distance learning. Students in other classes have connected with experts from all over the country, as well as local places such as The Children's Museum, the Indianapolis Museum of Art and the Indianapolis Zoo.

"In a way, they are electronic field trips that don't require us to bus students to the resource or have the expert travel long distances to meet our students," said Tom Bauer, technology director for Indian Creek Schools.

Shannon McMurray, 17, likes learning sign language through the distance learning system.

"I can communicate with my deaf friends better," Shannon said. "And I can talk with my mouth full now." (

Sports Update

HS Cross Country - Yesterday was a good competition for our team with Northwest and Ritter. We got second place (39 points) after Northwest (57 points). Ritter scored 27 points. We should have won first but three Ritter boys took the lead at the end of one more mile and made it to the finish line first. Our team placed :

- ❖ C.L. Young lead with 5th place - 20:46 (his best time!)
- ❖ Stanely Mangold placed 6th with 22:13
- ❖ Nick Curtin placed 7th with 22:34
- ❖ Matthew Bratton placed 8th with 22:56
- ❖ Drew Robarge placed 13th with 24:13
- ❖ Jeremy Wright placed 14th with 25:48
- ❖ Brendan O'Connor placed 29th with 31:42
- ❖ Cory West placed 30th with 33:05

There were a total of 31 boys in the race. Our next meet will be sectional at Garfield Park on Tuesday, October 15th.

HS Volleyball - ISD visited the site of most accomplished event in ISD volleyball history, Blue River Valley. This is where we advanced to the Sectional finals but lost to BRV two years ago. Shaking off cobwebs developed since Saturday CSSD, we looked timid and managed to edge them out, 21 - 19. We

started to play much better in the second game and executed our assignments accurately. Pia Marie set up Erica, Elsie, Jorjan for 3, 3, 3 kills apiece to take control of 2nd game, 21 - 16. The final game was no different as we were formidable in defense and fed Erica for 4 more kills in row to equal our W-L record from 1999 (24 - 5). The Player of the Match was Elsie Ritchie with 13 points, 6 kills, and 1 ace.

4th, 5th & 6th Grade Volleyball - We are sad to say "goodbye" to volleyball as we lost to Heritage Christian, 21-18, 19-21, 17-21. The three games were very exciting. The Orioles ladies maintained a positive attitude and teamwork throughout all of the three games. During the third game, the Orioles ladies refused to give up even when the opponent team was 7 points ahead. They worked very hard and managed to get close to the opponent team's score. Since the beginning of the volleyball season, the Oriole ladies have shown a great improvement in many areas: serving/receiving/passing skills, teamwork, positive attitude, and more! Thanks for the hard work and dedication, ladies!

6th, 7th & 8th Grade Boys Football - Our Orioles tried their best to play against the Creston team. The Orioles finally advanced their offense plays several yards. Our quarterback made a good pass to our 6th grade receiver. However, we lost to the Creston team, even though their team was smaller than ours. They were playing football lik an Army. They played very smoothly. Our next game on October 17th will be the last of the season, and the game will be at home. Come and support our Football Orioles!

A Reminder from the Health Center – Anyone, who is taking students off campus including away athletic games, field trips, educational trips, etc, must pick up student medication for the students. Recently we had a couple of occasions when the students' medicines and inhalers were ready, but no supervising adult came to pick them up. The students left, sometimes for long periods. The students have missed vital medications and breathing treatments. We would appreciate everyone remembering to pick up the meds before leaving ISD. Unfortunately, it is the students' health that is being put in jeopardy. Thank you all for your assistance and cooperation.

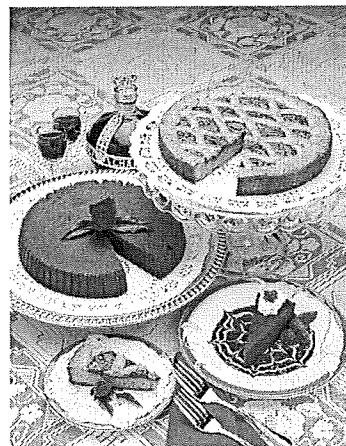

Thank you - After the tornados of September 20th, my family and I lost our home. Thanks to the generosity of everyone at ISD,, my family and I are in a new apartment. I would like to thank everyone for his or her help, donations and moral support. We are very grateful to be a part of the ISD family. Thank you from the bottom of my heart and God bless you all. - Billie J. Helton

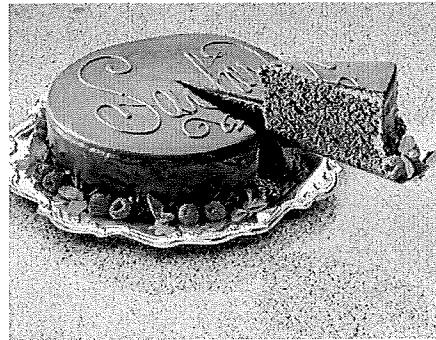

Volunteers Needed – The Athletic Department needs on admission help for both games this Saturday, October 12th. The volleyball game starts 10:00 am, and we need help from 9:15 until 10:30 a.m. The football game begins at 2:00 pm. We need help from 1:00 pm until 3:00 pm. Let Brian Bippus know if you are interested in helping.

Coaches Needed - Athletic Department has some vacancy in our coaching positions for winter season. If you are interested and want more information, please contact Brian Bippus at your earliest convenience.

- ❖ HS Boys Basketball Assistant Coach
- ❖ HS Boys Swimming Assistant Coach (Male)
- ❖ HS Wrestling - 2
- ❖ MS Girls Basketball Coaches - 3
- ❖ MS Cheerleading - 2

Dessert Auction - ISD will be having two dessert auctions next week. Middle School's auction will be on October 15 at 10:15, and High School's auction will be on October 16 at 10:15. All personnel are invited to attend one or both auctions. Bring your money and join us for a worthwhile morning of fun! The auctions are being held to benefit two of our staff members, B.J. Helton and Linda Schipp. We need your help! Please bring cakes, cookies, cupcakes, brownies, pies, etc. to each department on the morning of the auction. Yes, you can bring to both MS and HS!! Donations will also be accepted. Hope to see you there!

ISD JOB POSTINGS

Postings open from October 7, 2002 to October 11, 2002

- ❖ **Steam Plant Operator 2** - Minimum Qualifications: Experience - 3 years full time. Experience in a large institution or industrial steam plant. Must obtain within 12 months the Power Engineer Certification as issued by the Indiana Association of the National Association of Power Engineers. Substitution- Possession of the Power Engineer Certification at the time of application may substitute for 1 year of the required experience
- ❖ **Security Officer 4-** Two (2) years of full-time paid experience as a guard, watchman, fireman, or police officer. Each two (2) years of high school may substitute for one (1) year of the required experience. Willingness to undergo a background investigation. Ability to pass an annual physical examination.
- ❖ **Personnel Tech 3-** Two (2) years full-time clerical experience. At least one year of the required experience must be in providing Human Resources support or related experience.

Please turn in all applications directly to Missy Betzold, Human Resources Department.

Educator's Day – Save some of your hard-earned money from Wednesday's check for your purchases at Barnes & Noble's Educators Day on Saturday, October 19 from 10:00 am to 9:00 pm in Avon. You will get a 20% discount on hardcover and paperback titles purchased for your classroom. Just bring a valid teacher's ID, union card, or pay stub identifying you as a K-12 teacher, librarian or media specialist. Every time you shop, Barnes & Noble will take off 20% of eligible purchases. Gift certificates, special orders, café", music and multimedia purchases are ineligible. There will be giveaways, drawings and refreshments. Register to win a \$500 gift card for your classroom, a costume character to visit your classroom, and many fabulous door prizes.

The event schedule for the day is as follows:

Announcements

Sport Update

HS Girls Volleyball - We started our Homecoming Day with a big victory over visiting WPSD. Protecting our undefeated home court advantage, we dominated them with our 93% team serving efficiency. They tried their best and came up short, 21 - 7. In the 2nd game, it was Superwoman Erica vs. 6 WPSD as she burned them for 19 straight points before she served out of bounds, 21 - 1. We took the opportunity to use a new line-up to showcase our freshmen in their future positions and breezed toward a 21 - 11 win. Our record is 25 - 5. The Player of the Match was Erica Hossler with 23 points, 5 aces, 3 kills and 96% serving.

Dessert Auction – The Auditorium will be open at 7:30 am on Tuesday and Wednesday so you can drop off your desserts for the auctions both days.

Today's Visitors - A Parent Infant Program family will visit the Preschool. Please welcome them.

Assistive Technology - Increase your awareness in the area of assistive technology (AT). AT can apply to ANY of our students. Many times, students are in need of assistive technology. But due to our limited awareness and understanding of AT, students' needs are not met because we think everything is OK. This can be done on your own time. It runs Oct. 28 through Dec. 6. Please keep reading for more details. The **DEADLINE is Oct. 18**. You do not need to respond back to me although I would interested in those requesting participation. Spaces are limited. The course is basically for beginners, although it is not limited to them as there will be many resources made available during this course. It would also be more for those that have been thrown into AT and do not feel comfortable with the topic, which is most of us. For the course, a book, videotape and workbook will be provided. They are recommending that one to two hours be set aside each week for this course. The course will cover basic information about AT. It will look at different disabilities. Through internet access, participants will be able to investigate possible options specific to the students' needs. Time spent can be at any time (day, night, weekends). Participants will also be expected to participate in discussions via e-mail. Questions will be posted that need to be addressed. Questions and comments from the participants can also be posted.

OVERVIEW OF ASSISTIVE TECHNOLOGY

Please complete this form for the person(s) from your cooperative who will be participating in the Fall 2002 PATINS training program, *Overview of Assistive Technology*. The course will run from October 28, 2002, through December 6, 2002.

There will be no costs for the person(s) participating in this course, but it will be essential that the participant(s) have access to e-mail to participate in group discussions and to the Internet to complete research assignments associated with the coursework. CRUs will be available for participants upon completion of the course.

Please return this form to me by October 18, 2002.

Mail to: Tina Jones or Fax to: (812) 265-3459
PATINS SE Site
P.O. Box 1129
Madison, IN 47250

Thank you for your anticipated cooperation.

Sports Update

HS Girls Volleyball - ISD VB reached its #26 victory over host 4A Manual Redskins and tied the school record for the highest amount of wins in a season posted last year (26 - 11). The match was long and dry as we accumulated points without much fanfare from our hitters. The scores of the games were 21 - 9, 21- 5, 21 - 4. Our record is 26 – 5. The Player of the Match was Micaela Paulone with 14 points, 5 aces, 4 assists and 2 kills

7th & 8th Grade Girls Volleyball – Our team had its final game against Park Tudor. The girls showed their desire to defeat Park Tudor at the beginning of the match and had beautiful rallies back and forth continuously giving away, 12-21. In the second and final match, the girls' fire extinguished itself, and we lost, 5-21. The girls have learned so much in eight weeks of practices and matches. They grew in their confidence with their skills and look forward to being on the JV and Varsity Volleyball Teams next year! I am very proud of them and enjoyed teaching and coaching them! – Leithia Whited

4th, 5th & 6th grade Boys Football - We played against the Christian Park Raiders yesterday. We started off real good and scored twice in the first quarter 15 to 0. Then, we got too comfortable until half time at 15 to 0. The Raiders rallied in the third quarter 15 to 14. We had to regroup and play hard in the fourth quarter. But, we stopped them and won 15 to 14. The best part of this game was team ATTITUDE. Our record is 3 and 3.

HS Volleyball Sectionals – The girls drew BYE in the first round and will play Covenant Christian (we already beat them twice this season) in the semi-final. We are expected to advance to the finals (The 2nd time in the past 3 years!!!) and probably face either state-ranked #4 Clinton Prairie or #11 Rossville for the Sectional Championship. Our girls are very hungry to bring a first-ever team sectional championship to ISD!!!

Sectional 54 at Clinton Prairie (6 teams)

Match 1: October 24, Thursday, 6:00 p.m. - Lapel vs. #4 Clinton Prairie

Match 2: October 24, Thursday, 7:30 p.m. - Tri Central vs. #11 Rossville

Match 3: October 26, Saturday, 11:00 a.m. - Winner of Match 1 vs. Winner of Match 2

Match 4: October 26, Saturday, 12:30 p.m. - Covenant Christian vs. ISD

Match 5: October 26, Saturday, 7:00 p.m. – Championship: Winner of Match 3 vs. Winner of Match 4

Tickets: One-day session - \$4.00, Two-day season - \$7.00

Clinton Prairie HS 2400 S.C.R. 450 W., Frankfort, IN (765-659-3305) I-65 North to exit #158 and turn right (east) on S.R. 28 toward Jefferson. Turn right (south) at the crossroad in Jefferson and continue for 2 miles and see the school on the right side.

Today's Visitors –Fifteen members of the Ladies Auxiliary of the AMVETS will tour campus beginning at 10:00 am. They will be eat lunch in Brown Cafeteria.

From the Superintendent - Thank you all for the outstanding work you did last Friday to secure the campus and keep the students safe. I, unfortunately, was at the Kansas City Airport when all this happened and was in contact via page throughout. The situation was unpredicted and efforts by the Campus Police and Administrative Team kept the problem at the front gate. The matter is still under investigation by the Indiana State Police and any contact by the media regarding this matter should be directed to me. All of you are to be commended for the great job you did and for "keeping your heads" in a time of crisis. Thank you all for the exemplary handling of this situation. GOOD JOB!!

From Our Parents – Dear Mr. Kovatch and Staff, There is no greater comfort for a parent than the knowledge that the staff at ISD is maintaining a safe environment for our children. We appreciate the immediate notification sent home. Although incidents like this are unavoidable, it is reassuring to know that your safety precautions i.e. lock-downs etc. are well established. A very sincere thank you. - Gary and Carol Analco

From Principal Kovatch - Thank you all and your respective staffs for the help in making sure the campus was safe and calm during some very tense moments last Friday. It was truly a testimony to cool heads and teamwork. I have received many comments from parents thanking us for the work we did to make sure the students felt safe and were able to go about their daily routine with the minimum amount of distractions. Great job!

Gallaudet Reading Workshop - Special thanks to Sue Jones, Lou Ott, Joyce Levy and Cynthia VanManen for bringing snacks for the workshop participants. The participants included:

- 17 ISD Staff
- 7 ISD parents
- 1 parent from Lawrence Twp,
- 13 teachers/interpreters from around the state and
- 2 BSU students.

Thanks to ISD, PTCO, Some Guys Pizza and Gallaudet for making this event a success!!!!

Sports Update

HS Cross Country – On Tuesday, October 15th, the ISD Cross Country Team went to the Manual Sectional at Garfield Park. There were 10 schools represented with 72 boys in the race: Covenant Christian, Speedway, Ben Davis, Roncalli, Warren Central, Technical, Beech Grove, Secina and Franklin Central. ISD got 9th place out of 10 with 278 points, and Franklin got 42 points as first place. It was a hard competition for us. At least we were not in LAST PLACE! More good news for our boys who earned a new personal best this year!

Stanley Mangold placed 53rd with a time of 20:58. – A PERSONAL BEST

C.L. Young placed 54th with a time of 21:00.

Matthew Bratton placed 57th with a time of 21:27.

Nick Curtin placed 59th with a time of 21:42. - A PERSONAL BEST

Bradley Gantt placed 60th with a time of 21:57.

Drew Robarge placed 63rd with a time of 22:12 – A PERSONAL BEST

Jeremy Wright placed 68th with a time of 24:25. – A PERSONAL BEST

The 2002 ISD Cross Country final record was 1-10. However, we have had a good competition in all of our meets. We got close to a 1st place and got several second places in meets. Also, I am proud of our 10 boys who have done their best efforts running than 31 miles during the meets and many other miles during practice times. High-waving hands to our Cross Country boys!! - Coach Darin and Assistant Coach Ruth

HS Girls Volleyball - Our girls seemed to be accustomed to the slow and weak level in our past 7 matches. That caused us to get spiked in Lutheran's house. Our focus and sharpness were not polished as we flunked in the first game, 11 - 21. We had to do catch-up work by patching our sinking ship and came very close to tying the second match, 19 - 21. The 3rd game was what Indiana VB is all about - EXECUTION, ENTHUSIASM, GUTS, and OPTIMISM as we crushed the Saints, 10 - 21. The final game found us quickly behind. We struggled to nibble off their lead, but it was too late, 15 - 21. Our record is 26 – 6. The Player of the Match was Jorjan Jeter with 9 kills, 2 blocks and 1 ace.

Stop the Flu! - ISD will host its annual Flu Shot Clinic on **Monday, October 21** from 2:00 to 4:00 pm in the Health Center. The Coming of Age Agency will provide the Clinic, and flu shots will remain \$15 each. Pneumonia shots will also be available for \$25 and are only necessary every 5 years. Please call the Health Center if you have any questions. More information will be available as the clinic draws near.

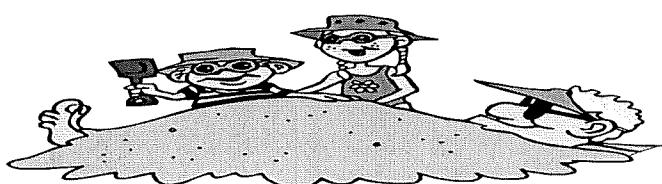

Today's Visitors – Fifteen ASL I students will visit from Butler University from 9:00 to 11:00 am. They will be working with Diane Jones and ISD students.

No More PTCO Sign Up Sheet - As of November 1st, all visitors, parents and guests must have a meal ticket. There will no longer be a PTCO Sign Up Sheet in the cafeterias. Special arrangements will be made through Outreach to cover assessment visits, family consultants and tours. Tickets can be purchased through Business Office in Alumni Hall, Room G15. Parents have been informed of this change through the Superintendent's newsletter.

NAEYC Accreditation - The National Association for the Education of Young Children (NAEYC), the nation's largest professional organization of early childhood educators, has provided much guidance to school personnel seeking to meet the highest quality of standards for programs serving children from birth through age eight. ISD follows the NAEYC principles for developmentally appropriate practice and guidelines as outlined in the revised volume *Developmentally Appropriate Practice in Early Childhood Programs*, edited by Sue Bredekamp and Carol Copple. It has been a valuable resource for program improvement.

During the 2000-2001 school year ISD began the process of pursuing NAEYC accreditation for Preschool. Parents, staff and administrators conducted a self-study to determine how well the program met the academy's criteria and made needed improvements. A program evaluation was completed rating the following criteria:

- Interactions among teachers and children
- Interactions among teachers and families
- Administration and staff qualifications
- Staffing patterns
- Curriculum
- Physical environment
- Health and safety
- Nutrition and food service

After reviewing the required documents, NAEYC conducted an on-site validation visit to verify the accuracy of the program description last spring. After the validation visit, it was determined by the NAEYC Accreditation Commission that we should include the kindergarten program in our accreditation process. Elementary staff welcomed the opportunity to begin dialogue with parents, staff and administrators regarding best practices in educating kindergarten children. We evaluated our program according to the accreditation criteria, made learning environment modifications as needed, and submitted a program description to NAEYC.

On October 1st, NAEYC conducted the on-site validation visit of our kindergarten classes. Our students and staff were proud to show how the kindergarten classrooms reflect the latest NAEYC recommendations for a quality program. We are now eagerly awaiting the commission's decision and should know our status by mid-November or December.

Although the process has been long and challenging at times, it has been a very beneficial experience for all. The knowledge gained will make our existing early childhood program stronger and the future brighter for our students. We thank all involved on this journey toward NAEYC accreditation.

Learn Spanish - The State Personnel Department has the following class coming up in November:

Introduction to Spanish

9:00a.m. - 12:00p.m.

November 14, 2002

While this class has been geared in the past for Customer Service Representatives, anyone with an interest in acquiring a basis understanding of the Spanish language may attend. Employees should register for the class through their Agency Training Contact Person. Thank you.

Families, People with Disabilities, Advocates, and Others

Please Plan to Attend an Important Workshop

Coming to a Town Near You!

**"What You Need to Know About Medicaid Waivers for
Home and Community-Based Services,
But Did Not Know to Ask"**

No fees to pay! No pre-registration required!

Presented by The Waiver Information Network (WIN)

The Waiver Information Network (WIN) is conducting 26 workshops in 15 locations to provide up-to-date information on Indiana's Medicaid waiver programs and how they can help provide eligible people with disabilities the supports they need to live in the community. Medicaid waivers help families care for a child or adult with a disability, or provide supports to help an adult with a disability live in the community. Medicaid waivers are available to people with all types of disabilities, including developmental and physical disabilities, and disabilities related to aging. Waivers can provide up to 24-hour support for eligible people. Eligible people include those who, without support, would be at risk of placement in a group home, nursing home, state developmental center or other long-term care institution. Unlike other Medicaid programs, parental income and resources are not counted when determining eligibility for a child. To learn more about Indiana's Medicaid waiver programs for home and community-based services, please plan to attend one of the workshops. No need to pre-register, but if you need more information, accessible formats, an interpreter, or other accommodations, please contact The Arc of Indiana prior to the event at: TheArc@arcind.org, (317) 977-2375 or 1-800-382-9100.

Payroll News - Please remember that your timesheet needs to be in the Payroll Office by Thursday morning. The timesheets will be due downtown on Tuesday morning instead of Wednesday. **If you can not turn in the time sheets by Thursday morning, please do so no later than Friday October 25th at 8:00 AM.**

National Essay Contest Challenges Students to Write About Their Heroes - Gallaudet University is announcing its fifth National Essay Contest for Deaf and Hard of Hearing Students. The theme for this year's contest is "heroes." "We are asking deaf and hard of hearing youth, 'who is your hero and why,'" explained Dr. Katherine A. Jankowski, Dean of Gallaudet's Laurent Clerc National Deaf Education Center. The theme arose partly as a result of the events of last September. "The terror attacks gave people a new appreciation for the everyday heroes that are part of our lives," Jankowski noted. "The heroes who helped-and those who died-were working people. They were police officers, firefighters, medical personnel, restaurant employees, stockbrokers, and government officials. They were moms and dads."

The contest is open to all deaf and hard of hearing teens, from 15 to 19 years old. Winners in the contest will earn scholarship money for college or post secondary education-and the award money will double for those who qualify for and elect to attend Gallaudet University. All contest participants will receive certificates of meritorious entry. "The purpose of the contest is always to encourage deaf and hard of hearing students to write," Jankowski said. "Reading, discussion, and writing are what help students improve their literacy skills." Entries must be postmarked by February 11, 2003. For more information about the contest, e-mail World Around You at: essaycontest@gallaudet.edu.

BiBi Environment - ISD Staff has been asked to present on the research that has been done on education in a BiB environment at the ASHA (American Speech-Language and Hearing Association) convention in November of 2003. Dave Ertmer, professor at Purdue University, is chair of a committee that focuses on audiology and education. As the chair of the committee, he has the option of requesting a specific group to

make a special presentation. He would like to have ISD staff present on the BiB philosophy. Louise Fitzpatrick and Linda Charlebois will co-chair a committee to get this off the ground. A first meeting will be held Wednesday afternoon, October 30th, at 4 p.m. in the Assessment Center. The purpose of this meeting is to discuss what is required of ISD and then to develop goals and a time line. If you are interested, please be sure to attend this meeting.

Sports Update

HS Volleyball – “Undefeated at home” and “highest wins in season” were on our mind as we played our final home match against a new opponent, Eastern Hancock. Playing in front of a full house on one side, we were testing each other and finding their tendencies as we lost the opening, 18 - 21. In the next two games it was all Indiana, DC2.

We executed 1-2-3 so often that the fans roared for us at each point, 21 - 11 and 21 - 19. It was 20 - 14 before Jorjan ended the game with nice dink. The fourth game was a little flat as we struggled with serve receiving and allowed them to take advantage of our unforced errors, 15 - 21. Facing a 5th game, we relied on our ENTHUSIASM, GUTS AND OPTIMISUM to prevail over the Royals, 15 - 8 with another spike from Jorjan to close the match! Congratulations to girls for defending the home court and going UNDEFEATED (9 - 0) at home!!!! Our record is 27 - 6. The Player of the Match was Pia Marie Paulone with 18 assists, 5 kills and 2 aces.

4th, 5th & 6th Grade Football - We played against Christian Park Lions. We started off well scoring 16 to 0. The boys played aggressively. Then we got a little comfortable in the 3rd quarter. They scored a touchdown, but we still up 16 to 6. Finally, we made a long touchdown pass and scored winning the game 22 to 6. We played great as a team. Our season is over with 4 wins and 3 losses. Coaches Rusty and Wayne are really proud of our boys. They worked so hard and learned how to be a team.

BSU Participants & Fall Break – The BSU participants will be on Fall Break Friday, October 25 through Tuesday, October 29. They will return to their normal schedule on Wednesday, October 30.

HS Volleyball Sectionals – The girls drew BYE in the first round and will play Covenant Christian (we already beat them twice this season) in the semi-final. We are expected to advance to the finals (The 2nd time in the past 3 years!!!) and probably face either state-ranked #4 Clinton Prairie or #11 Rossville for the Sectional Championship. Our girls are very hungry to bring a first-ever team sectional championship to ISD!!!

Sectional 54 at Clinton Prairie (6 teams)

Match 1: October 24, Thursday, 6:00 p.m. - Lapel vs. #4 Clinton Prairie

Match 2: October 24, Thursday, 7:30 p.m. - Tri Central vs. #11 Rossville

Match 3: October 26, Saturday, 11:00 a.m. - Winner of Match 1 vs. Winner of Match 2

Match 4: October 26, Saturday, 12:30 p.m. - Covenant Christian vs. **ISD**

Match 5: October 26, Saturday, 7:00 p.m. – Championship: Winner of Match 3 vs. Winner of Match 4

Tickets: One-day session - \$4.00, Two-day season - \$7.00

Clinton Prairie HS 2400 S.C.R. 450 W., Frankfort, IN (765-659-3305) I-65 North to exit #158 and turn right (east) on S.R. 28 toward Jefferson. Turn right (south) at the crossroad in Jefferson and continue for 2 miles and see the school on the right side.

Dear ISD - Thank you for the wonderful tour of the Indiana School for the Deaf. It was truly amazing and I know all the students really appreciated it. Your school is exceptional and you did a great job relaying that to us. Thank you. - Liz Hamilton, Butler ASL 1 Student

Designing Behavior Support Plans for Students Who Engage in Challenging Behaviors – The Indiana Resource Center on Autism and the Center on Education and Lifelong Learning, will co-sponsor a series of one-day workshops entitled **Designing Behavior Support Plans for Students with Disabilities who Engage in Challenging Behaviors** throughout the month of November. Students with disabilities, who engage in problematic behaviors ranging from refusal to aggression and property destruction, present a significant challenge to both family members and professionals. The purpose of these one-day workshops are to provide a framework for assessing problematic behaviors and designing a behavior support plan that focuses on long-term change. Participants will gain practical information and strategies for:

- ❖ Determining the role of crises management in providing a short-term approach to problematic behaviors;
- ❖ Utilizing various tools and procedures associated with conducting a functional behavioral assessment (FBA);
- ❖ Understanding the difference between a functional behavioral assessment and manifestation determination;
- ❖ Identifying alternative behaviors based on information gathered via the functional behavioral assessment process;
- ❖ Designing behavior support plans that focus on long-term outcomes that are directly linked to the FBA process; and
- ❖ Addressing the role of classroom management and school-wide discipline practices in decreasing or increasing the opportunities for problematic behaviors.

General and special educators, administrators, family members, speech language pathologists, psychologists, occupational and physical therapists, and interested others should plan to attend. Training dates and location include:

November 5, 2002	The Garrison Indianapolis, IN
November 7, 2002	Muncie Area Career Center Muncie, IN
November 21, 2002	Country Inn and Suites Elkhart, IN
November 22, 2002	Park Hill Center New Haven, IN
December 3, 2002	Executive Inn - Downtown Evansville, IN.

For information on Training Funds for family members or those with disabilities, contact the Indiana Governor's Planning Council for People with Disabilities at (317) 232-7770 or IN*SOURCE at 1-800-332-4433. Registration fees are \$60.00 per person. For information pertaining to conference content contact: Cathy Pratt at (812) 855-6508 or e-mail prattc@indiana.edu. For registration information, contact Diana Stille (dstille@indiana.edu) or Donna Beasley (dbeasley@indiana.edu) at (812) 855-6508.

National Red Ribbon Week Is October 23rd –31st - We will be celebrating RRW October 28th-30th. Please take a minute in class to talk to your students about drugs. Our theme this year is “What’s your anti-drug?” We are trying to get students to think of activities they can do without using drugs. Middle school and high school students participated in an art contest (with the help of Scotty Zwicker) and developed some awesome posters showing what they do instead of using drugs. These posters are displayed throughout the buildings on campus. Point them out to your students and use them to help explain why drugs are bad. To kick-off the week we decorated campus with posters and balloons and will hand out Red Ribbons to wear all week long. We will also be signing a “Pledge to be drug-free!!” banner during the week in the cafeteria. As a closing event, Wednesday is WEAR RED Day and MS and HS will have an activity period. For your information attached is the history of Red Ribbon Week. You might want to share this with your students as well. Thanks for your help and let’s try to make ISD a DRUG-FREE SCHOOL!!!!

THE HISTORY OF RED RIBBON WEEK

A Community Response To Tragedy

On February 7, 1985, undercover Drug Enforcement Agent Enrique "Kiki" Camarena was kidnapped, tortured, and murdered by members of a drug gang in Mexico. It took a search by 500 special U.S. agents to find his battered body in a shallow grave on a ranch in Mexico. He was buried with honors in his hometown of Calexico, California. Enrique's congressman, Representative Duncan Hunter, moved by the agent's death, met with Mr. Henry Lozano, Director of Teen Challenge, and Mr. David Dhillon, a Calexico High School teacher to call for the creation of Camarena Clubs to promote the awareness of the dangers of drug abuse in his 45th Congressional District. This endeavor was supported and assisted by the Camarena family. In honor of Kiki, the first Camarena Club was formed in April of 1985 at Calexico High School where Kiki Camarena and Henry Lozano graduated in 1966.

The Original Red Ribbon Pledge

On April 20, 1985, 100 students signed the following pledge that was written by Congressman Hunter's wife, Lynne... "We, the undersigned students of Calexico High School pledge; in the honor of Enrique Camarena, and all others risking their lives, to stop the flow of drugs, to say no to drugs, to encourage my friends to say no to drugs, to provide support to others who use drugs to help them learn to say no to drugs, to become educated on the dangers of drugs, and provide this information to my community."

On April 26, Mrs. Hunter, Mr. Lozano, Mr. Dhillon, and Calexico High School students presented the signed Camarena Club Pledge to First Lady Nancy Reagan at the National Parent's Resource Institute for Drug Education Conference in Washington, DC. On June 16, inspired by Kiki's sacrifice, the Virginia Federation of Parents and the Illinois Drug Education Alliance called on all Americans to wear red ribbons to symbolize their commitment to fight drug abuse.

The First Red Ribbon Week In California

The first local Red Ribbon Days event, sponsored by the Norwalk/La Mirada Grassroots Alcohol and Drug Education Project (GRADE) and the Norwalk Citizens Against Illicit Drugs, was held on October 28 -- November 4, 1985 in the cities of Norwalk and La Mirada, California. In October of 1986, Californians for Drug-Free Youth, Inc. sponsored the first

statewide celebration of Red Ribbon Week. In 1988, under the leadership of the National Family Partnership, with Nancy

Reagan as Honorary Chairperson, Congress proclaimed the first 8-day Red Ribbon Week. Since then, the Red Ribbon movement to remember and honor Kiki's death and raise drug awareness is celebrated by millions of students and teachers, along with community organizations, service clubs, businesses, faith communities, and law enforcement agencies. Today, Red Ribbon Week is held in thousands of schools and communities all across America.

BiBi Workshop Opportunity - During BiBi Orientation for New Staff, we received feedback that there is a need to continue BiBi training. Therefore, we will offer a **BiBi Workshop, November 16, Saturday 8:30-3 PM**. The training is open to all staff. (We would like a balanced number of Deaf and hearing participants). The purpose of the workshop will be to understand BiBi better and how it applies to our work.

Agenda

Refreshments

Check in - What do you want to know?

Announcements

Volleyball – We faced Covenant Christian in sectional semi-final and started off very strong as Erica Hossler made 5 kills in the row to set the tempo in the first game, 21-14. 2nd game was a struggle as we couldn't strike the target from our serve receiving and we took advantage of our 6 serve aces to close them at the end, 21-16. Final game was totally INDIANA, DC2, as our offense was too much for them and Paulone sisters, Pia Marie and Micaela, contributed 13 and 7 assists. Jorjan Jeter rose to the occasion and earned 7 kills and 1 block. Player of the Match: Erica Hossler with 14 points, and 11 kills, and 6 aces.

We advanced to sectional finals for second time in 3 years and faced # 4 state ranked powerhouse Clinton Prairie. We knew we are going up to much stronger and talented, yet we have nothing to lose and fought our hardest and gave them a fight for championship. All 3 games, we stayed close and they started to build the lead slowly with solid plays. We saw Justine making her 29th block, setting new school record for season total. We jumped out of our seats when Micaela Paulone drove for pancake save TWICE!! We screamed “oooohhhh” and “yeahhhhhh” when Chelsea dunked over their tall MB for a kill and blocked their strong OH. We pumped our arms as Erica overpowered their double blocks with her mighty spike. We grimaced as Elsie got pounded and returned their bullet spikes into play! We awed as Jorjan rose for a

solder running, setting, serving, and leading the team with unbearable pain in her back. We cheered when Annalee, Amanda, and Ellen protecting our backline and responded well at both corners. Final Record: 28-7. Player of the Match: Pia Marie Paulone with 6 assists and 2 points.

Class of 2005 Halloween Event – The Class of 2005 Halloween event tonight is cancelled. Sorry about that.

TTY Users and Spanish Speakers - INTRAC has a service that allows TTY users to contact Spanish speakers. The call MUST be from a TTY going to a hearing person. To use the service, call 800-743-4869 - connection to the Spanish center and proceed. The service is free unless the call is long distance to which then the long distance charge applies.

*****A NOTICE TO ALL STATE EMPLOYEES*****

You should be in receipt of, or soon receiving, a benefit statement for you to review your currently elected benefit options and state provided benefits. As we approach open enrollment this will give you an opportunity to view your previously selected plans, and make any benefit/dependent corrections to ensure the State Personnel Department, the State Auditor's Office, and our insurance carriers all have accurate information relating to your individual benefit and dependent coverage. Please review your Benefits Statements, make any necessary corrections, sign & return one (1) of the corrected statements to your Benefit Coordinator (**Donna Saine or Missy Betzold**), and keep one (1) for your records.

PLEASE NOTE - YOU ARE ONLY TO MAKE CORRECTIONS TO ITEMS YOU FEEL ARE CURRENTLY INCORRECT. CHANGES TO BENEFIT OPTIONS WILL BE DONE DURING OPEN ENROLLMENT.

EXAMPLES OF AN APPROPRIATE CORRECTION MAY BE THE FOLLOWING:

- AN INCORRECT ADDRESS.
- INCORRECT DEPENDENT INFORMATION.
- SINGLE COVERAGE THAT SHOULD BE LISTED AS FAMILY.

****PLEASE PAY PARTICULAR ATTENTION TO YOUR DEPENDENT INFORMATION. WHAT IS ON YOUR STATEMENT CAME DIRECTLY FROM THE INSURANCE CARRIERS AND WE KNOW THEY HAD ERRORS, AS SOME DID NOT TRACK GENDER SPECIFIC INFORMATION AND ALL DEPENDENTS MAY BE LISTED AS A SON, AND/OR APPEAR MORE THAN ONCE.**

OUR PURPOSE IS TO HAVE OUR SYSTEM REFLECT YOUR ACCURATE INFORMATION. WITH THAT IN MIND, JUST DRAW A LINE THROUGH ANY INCORRECT INFORMATION, AND MAKE YOUR CHANGES DIRECTLY ON THE STATEMENT. THEN INITIAL THE CORRECTIONS, SIGN AND DATE THE FORM, AND RETURN IT TO YOUR BENEFIT COORDINATOR.

****NOTE - LIFE INSURANCE ON THE BACK OF THE STATEMENT WILL NOT LIST AN ACTUAL BENEFICIARY NAME AS IT IS NOT PART OF THIS OPEN ENROLLMENT.**

TO VIEW YOUR BENEFITS ONLINE, YOU WILL NEED TO NAVIGATE TO THE STATE'S PEOPLESOFIT HUMAN RESOURCE INFORMATION SYSTEM HOMEPAGE AT THE FOLLOWING WEB SITE:

<https://gmis.state.in.us/servlets/iclient servlet/hrprd>

IF YOU ARE NOT CURRENTLY A USER OF THE PEOPLESOFIT SYSTEM, PLEASE UTILIZE THE USER ID THAT IS LISTED AT THE TOP OF YOUR BENEFITS STATEMENT. YOUR PASSWORD WILL BE THE FIRST INITIAL OF YOUR FIRST NAME AND THE LAST 4 DIGITS OF YOUR SOCIAL SECURITY NUMBER FOLLOWED BY THE FIRST INTIAL OF YOUR LAST

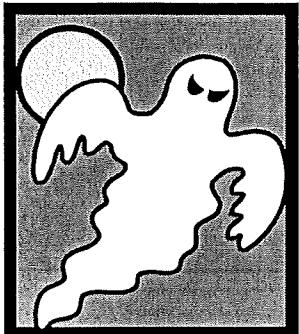

NAME. ALL LETTERS MUST BE IN UPPER CASE. (EXAMPLE - MY NAME IS ROB ROBERTS AND SOCIAL SECURITY # IS 999-99-9999...PASSWORD EQUALS - R9999R)

IF YOU HAVE ANY QUESTIONS, PLEASE CONTACT YOUR BENEFIT COORDINATOR IN YOUR PERSONNEL OFFICE (**Donna Saine 920-6218 or Missy Betzold 920-6340**).

National Essay Contest Challenges Students to Write About Their Heroes - Gallaudet University is announcing its fifth National Essay Contest for Deaf and Hard of Hearing Students. The theme for this year's contest is "heroes." "We are asking deaf and hard of hearing youth, 'who is your hero and why,'" explained Dr. Katherine A. Jankowski, Dean of Gallaudet's Laurent Clerc National Deaf Education Center. The theme arose partly as a result of the events of last September. "The terror attacks gave people a new appreciation for the everyday heroes that are part of our lives," Jankowski noted. "The heroes who helped-and those who died-were working people. They were police officers, firefighters, medical personnel, restaurant employees, stockbrokers, and government officials. They were moms and dads."

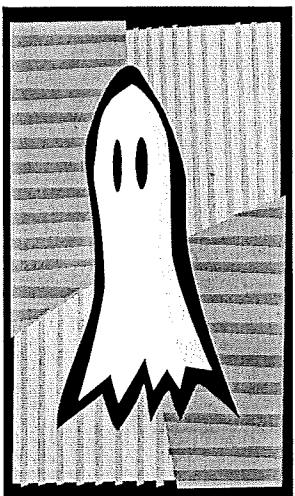

The contest is open to all deaf and hard of hearing teens, from 15 to 19 years old. Winners in the contest will earn scholarship money for college or post secondary education-and the award money will double for those who qualify for and elect to attend Gallaudet University. All contest participants will receive certificates of meritorious entry. "The purpose of the contest is always to encourage deaf and hard of hearing students to write," Jankowski said. "Reading, discussion, and writing are what help students improve their literacy skills." Entries must be postmarked by February 11, 2003. For more information about the contest, e-mail World Around You at: essaycontest@gallaudet.edu.

BiBi Environment - ISD Staff has been asked to present on the research that has been done on education in a BiB environment at the ASHA (American Speech-Language and Hearing Association) convention in November of 2003. Dave Ertmer, professor at Purdue University, is chair of a committee that focuses on audiology and education. As the chair of the committee, he has the option of requesting a specific group to make a special presentation. He would like to have ISD staff present on the BiB philosophy. Louise Fitzpatrick and Linda Charlebois will co-chair a committee to get this off the ground. A first meeting will be held Wednesday afternoon, October 30th, at 4 p.m. in the Assessment Center. The purpose of this meeting is to discuss what is required of ISD and then to develop goals and a time line. If you are interested, please be sure to attend this meeting.

CLASS OF 2005
